DESIGNED BY TEENS, FOR TEENS

TLC 2007 has been designed to help you break free and try new challenges, explore new activities and to meet new friends. Always committed to leadership development, the 61st South Dakota Teen Leadership Conference will provide a great balance of leadership training, career exploration, personal growth and fun to any South Dakota youth between 13 and 18 years of age. The South Dakota 4-H Council invites you to join them on the South Dakota State University campus June 5-8, as they present Break Free at TLC.

Joining us this year, is nationally known speaker Patty Hendrickson. Patty has challenged and energized audiences through out the United State and Central America. She is the author of "Who I am Depends on Me" and has been a speaker for the National Association of Student Councils, Indiana 4-H and numerous State FCCLA Conventions.

This year's design team has selected nearly 75 workshops, utilizing university professors, local experts, TLC alumni and Extension staff from across South Dakota. Topics include careers, leadership skills, recreation, and community involvement just to name a few! After a day of hands-on learning, you will have the opportunity to enjoy fun and friends during the evening activities, which include dances, open recreation at Jack's Place, games and movies.

The registration fee for TLC remains at \$125 through April 15. Your registration fee includes conference fees, room and board from June 5–8. After April 15, the fee will be raised to \$150 until May 14, when registration closes. Transportation to Brookings is not covered, although group transportation is available to West River youth for a nominal fee. To ensure your first choice of workshops, get your registration and deposit sent in as soon as possible! Complete workshop descriptions and registration materials will be available by March 1. Special scholarship opportunities are available to 4-H members, children of soldiers currently deployed in the National Guard or Army Reserve, and possibly to qualifying children whose parent has been deployed in the past 12–18 months.
